

We are moving

Changing lives
one by one

The Registered Central Office of Chapter 1 will be operating from new premises as from Monday 6th September 2010.

This temporary move forms part of the major refurbishment process our current premises will shortly be undergoing. Efforts will be made to ensure that there is minimal disruption to our services, but we do ask that you bear with us as we settle in to our new environment.

From 6th September 2010

Our new delivery and postal address will be:
(see information on postal deliveries)

London, SE1 9PD

Phone: 020 7593 0470

Business hours: 9.00am to 5.00pm

Postal deliveries

As Exton Street will be retained as our registered address, a re-direction service has been set up via Royal Mail to ensure that we continue to receive all mail during this transitional period. The temporary office address will therefore not appear on any of our stationery and you will not be required to update any information on existing databases.

Please note that although all redirected items will be treated as First Class, they will usually arrive at their destination one day later than normal post.

Inevitably there are circumstances where the re-direction facility service cannot be used, e.g. urgent next day, courier services, delivery of goods from suppliers etc. In such cases, please use the new address as shown above.
